By signing the consent, I acknowledge that I understand the following:

- The FDA has authorized the emergency use of the Pfizer COVID-19 Vaccine that may prevent COVID-19. This vaccine is not FDA-approved. There is no FDA-approved vaccine to prevent COVID-19. The FDA has authorized the emergency use of this vaccine for individuals age 16 and older.
- This vaccine is a 2-dose series and I must receive both doses in order to achieve the best immunity. I need to make sure that I receive that second dose as close to 21 days after my first dose as possible.

Vaccination Release

I have read or have had explained to me the information on the Emergency Use Authorization (EUA) Fact Sheet or Vaccine Information Statement (VIS). I have had a chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of COVID-19 vaccine and consent to the vaccine be given to me or to the person for whom I am authorized to make this request.
